

Commonwealth of Kentucky
Office of the State Auditor
Frankfort, Kentucky

Copy to Gov. Steve Beshear.

To Mr. [REDACTED]

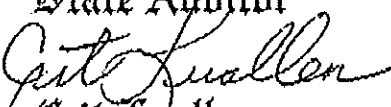

Dear Mr. [REDACTED], As auditor for the state of Kentucky it is my duty to inform you of pending litigation in regards to your state funded pension.

After nearly two years of exhaustive searching of personnel files we have found more than 26,000 State retirees who are being overpaid each month. It is with great regret that I must inform you of your inclusion in this number.

According to the records we have for the past eleven years and two months you have received excess compensation in the amount of 416.00 dollars per month. This amounts to a total overpayment of 55,744 dollars.

Due to the sheer volume of cases involved we ask that you do not attempt to contact this office. You will be contacted by a field agent in the near

future to discuss your options of repaying the stated amount.
